

## **THE WONDER OF GOD**

*(Psalm 145, Job 38)*

“Give glory to God!” – Psalm 29. The Bible describes God as mighty, even almighty, majestic, great as in “Great is the Lord!” God’s wonders are always on display. He is always performing mighty acts! Even in our own lives, all the little things and the big things He does in our lives! But do we see them? Psalm 145 is a jubilant song of praise to who God is! In Job chapter 38, God asks the questions that only He could answer that causes us to marvel at the wonder of God!

To create is to make something out of nothing. That’s what God does. For us, we have to make something out of something. God speaks in Job 38 and shares about His power in creation: the weather, rain, and the heavens. His power includes giving every living thing breath (Isaiah 42:5) and yet at the same time God rules the nations (Psalm 47:8), and yet at the same time not one sparrow falls to the ground without His knowledge. (Matthew 10:29). Even though God grieved for making man (Genesis 6:8), He still delights and preserves His creation.

2,500 years after the flood, Jesus was born. The Creator came to His creation. (John 1:1). Jesus came at the right time. (Galatians 4:4). And so did each one of us. Before we were born, God put us together (Psalm 139), and knew us (Jeremiah 1:7). God gives us the ability to appreciate all He’s created, to live a life in full experience of Him, to witness His power and glory. All because to Him, we are worth it! Jesus knew all along the price He would pay for us. Our value meant His blood. God reveals His everlasting love for us (Jeremiah 31:3; Ephesians 3:18; John 17: 26).

**3. *The Wonder of* \_\_\_\_\_.**

God provides for all of His creation (Job 38:39 - 41). Jesus knew before the foundation of the world that He would need to come. The creation became ruined in sin and we all need a Savior. Jesus came to save that which was lost. He came to show us the Father, and the Father’s love. He came to give life and hope. He came to appease the wrath of God. Not everyone wants Him or accepts Him (John 3:19). Out of His love for us, Jesus got on that cross, died, and in the promise and power of God, Jesus rose again. He’s building His church, and He will return.

### ***Concluding Reflection:***

In 1 Peter 1:12, even angels marvel at the salvation of man and what God has done. The mighty works that God does today is changing people’s lives. Opening hearts and giving hope. And the greatest mighty work He does is saving souls. Saving people and us from eternal hell and giving everlasting life. The wonder of God is Him wanting us to be with Him.
